

# Assignment 1

PAI 721: Introduction to Statistics

Prof. Jack Reilly

F2025

## Instructions

Answer all questions. Please upload your assignment to **Blackboard** as a PDF.

---

## Questions

1. What is your name and program of study at Syracuse?  
*(Optional: provide your pronouns, if you wish.)*
2. What is your prior experience with statistics and data analysis?
3. What are you hoping to get out of this class?
4. Please include a picture of yourself!
  - It can be anything – just make sure that you are the only person in the picture so I can clearly identify you.
